MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY OVERVIEW:

The Indian economy is having mammoth worth over US\$2 trillion is one of the most enchanting economies of the world. At a time when the world economy is grappling with turbulence and volatility, India persuaded stability and firm macro-economic fundamentals. The country has got the better of inflation, low current account deficit and forex reserves are at stature at all-time high. The government is implementing key reforms to boost up domestic entrepreneurship, bolster infrastructure creation, strengthen rural income, alluring FDI and enhance the ease of doing business in India being on its prime agenda. These measures cumulatively augur well for the economy, going forward.

India grew by 7.6% in fiscal 2015-16 surpassing and superseding China's growth rate of 6.9 %. The economy benefited from low oil prices and relatively limited exposure to global financial turmoil. The Union Budget 2016 unfolded the government's intentions and plans. Despite global uncertainties, the Government is sticking to its fiscal deficit target, while pursuing the growth agenda. The Government has targeted to narrow the fiscal deficit to 3.5% in 2016-17, after securely maintaining its 3.9% target for 2015-16.

On macro-economic footprint, while an ease in commodity prices helped India control inflation and rein in its twin deficits viz. fiscal and current account, the on-going global slowdown has hurt its exports. Some of the big-ticket structural reforms as Goods and Services Tax were delayed and diluted, subduing sentiment further.

Global recovery, after the financial crisis of 2008-09, was largely uneven and fraught with risks. The financial year 2015 was no different, with world output growth slowing to 3.1% from 3.4% in financial year 2014. Economic activity was marked by a modest improvement in advanced economies and slower growth in emerging and developing economies. While Europe and Japan stepped up monetary easing to preserve growth, improved outlook for the US prompted the Federal Reserve to raise interest rates by 0.25 percentage points towards the end of financial year 2015.

CAPITAL MARKET

Primary market operations:

The primary market, in FY 15-16, seems to have come out of its lull. Both the total number of issues and the resources mobilised from the primary market have gone up. IPOs have contributed to this performance more than public debt issues and rights issues.

The Initial Public Offer (IPO) market witnessed 74 IPOs of equity for raising an aggregate of ₹ 14,815 Crore and 21 debt issuances for raising an aggregate of ₹ 34,112 Crore in FY 2015-16 as against 46 IPOs of equity aggregating ₹ 3,311 Crore and 24 debt issuances aggregating ₹ 9,413 Crore in FY 2014-15. Companies also raised ₹ 9,239 Crore through 13 Right offers in FY 2015-16 as against ₹ 6,750 Crore through 18 Right offers in FY 2014-15. The cumulative funds mobilised through qualified institutions placement route during FY 2015-16 stood at ₹ 14,588 Crore from 24 issuances as against ₹ 29,102 Crore from 51 issuances in FY 2014-15.

There were Offer for Sale (OFS) transactions for an aggregate amount of ₹ 19,822 Crore in FY 2015-16 as against 28 transactions for ₹ 26,935 Crore during FY 2014-15.

The breakup of funds raising exercise in public markets during FY 2015-16 vis a vis the FY 2014-15 is hereunder:

Types of offerings	April 1, 2015 to March 31, 2016		April 1, 2014 to March 31, 2015	
	Nos.	Amount In Crores	Nos.	Amount In Crores
Initial Public Offer	74	14,815	46	3,311
Right Offerings	13	9,239	18	6,750
Qualified institu- tions placement	24	14,588	51	29,102
Total equity route raising	111	38,642	115	39,163
Total debt route raising	21	34,112	24	9,413
Total sum raised	132	72,754	139	48,576

(Source: SEBI)

Secondary market operations:

Financial year 2015-16 saw an abysmal returns of -6.4 % from Indian equities pre-eminently because of multiple factors such as dismal corporate earnings, sub-normal monsoons, plunge in commodity and oil prices. Though the markets saw robust flows into domestic equity mutual funds resulting in higher investment by domestic institutions, there was net outflow by the Foreign Institutions to the tune of ₹ 14,172 Crore as opposed to inflow of ₹ 1,11,300 Crore in FY 2014-15. A large part of foreign inflows was directed towards capital markets – IPOs, QIPs, OFSs and divestments and we played a lead role in many transactions. During FY 2015-16, they withdrew ₹ 14,172 Crore (invested ₹ 1,11,333 Crore in FY 2014-15) from the Indian equity market and ₹ 4,004 Crore (compared to investment of ₹ 1,66,127 Crore in FY 2014-15) from the Indian Debt market. This is the first time after the financial crisis of 2008 that FPIs have turned net sellers of equity and debt instruments in India in a financial year.

Taking the nosedive, the market cap of BSE Limited (BSE) and National Stock Exchange of India Limited (NSE) plummeted by 6.63% and 6.24% to ₹ 94,75,328 Crore and ₹ 93,10,471 Crore respectively as on March 31, 2016 as compared to ₹ 1,01,49,290 Crore and ₹ 99,30,122 Crore as on March 31, 2015.

OUTLOOK, OPPORTUNITIES AND THREATS:

The company envisages strong growth in the near-term as economic growth has picked up and the RBI is promoting investment and consumption by reducing rates and infusing liquidity. The Company envisages good growth on the horizon too as the sectors that it caters to are not only large but growing and are still quite underpenetrated from the perspective of investment rates in equities.

The outlook for growth has improved modestly on the back of disinflation, declining oil prices, easier financing conditions and action on delayed projects. These measures augur well for reinvigoration of private consumption demand. The conditions for growth are slowly improving with easing input cost pressures, supportive monetary conditions and recent measures relating

31th ANNUAL REPORT 2015-16

MORARKA FINANCE LIMITED

to project approvals, land acquisition, mining and infrastructure. Slowly improving conditions for growth on account of easing input cost pressures, supportive monetary conditions and recent measures relating to project approvals, land acquisition, mining and infrastructure is likely have a positive impact on the Indian business in the long run even though the risks from weaker global growth outlook remains a challenge. India's growth prospects remain bright with its growth being well balanced and largely driven by domestic consumption having 18% of world's total population. The government push on developing the sustainable infrastructure facilities, growth of manufacturing through its 'Make in India' initiative, etc. will present continuing opportunities for financial intermediaries to grow and benefit from the increased requirement of capital for augmenting new capacities and expansion of existing projects.

RISKS AND CONCERNS:

The NBFC sector functions in a dynamic, complicate and competitive environment while having to look for ways to sustain and grow business profitably since banking sector has penetrated and overtaken all the activities erstwhile covered in the sweep of NBFCs. The continuously evolving legislative and regulatory environment due to increasing globalisation, integration of world markets, newer and more complex products & transactions and an increasingly stringent laws, rules and regulations have posed infinite and hitherto unprecedented challenges for NBFCs. The ability to mingle risks across geographies, products, asset classes, customer segments and functional departments is of paramount importance for the hindrance free growth of the organisation which helps in delivering superior shareholder value by achieving an appropriate tradeoff between risks and returns. The inability to manage these risks can cause permanent damage. As a result, today's operating environment demands a rigorous and integrated approach to risk management.

NBFC SECTOR:

The role of the NBFC sector in the Indian financial sector has become pivotal in terms of its size, spread and niche areas of operation. Many big sized NBFCs have become significant contributor to the overall financial system in India. As per RBI, in FY15, there were 11,622 Non-Deposit-taking NBFCs (NBFC-ND) and 220 Deposit-taking NBFCs (NBFC-D) in India with balance sheet sizes of ₹ 14,166 billion and ₹ 1,925 billion, respectively. NBFCNDs have posted a balance sheet growth of more than 15% in 2015 over 2014.

There is a growing trend towards more stringent yet structurally beneficial regulation in the NBFC sector. Anticipating such regulations and implementing good governance norms before they are mandated has been a constant practice of the company. Accordingly, the Company stands to benefit by policy notifications. The central bank – RBI, in the recent past has been acting leniently with its magnanimous approach has opened new vistas of business of NBFCs which was previously monopoly of banking sectors. Allowing big ticket NBFCs to foray into banking business, grant of licence to act as small and payment banks to many eligible entities are few of the examples.

RISK MANAGEMENT

Company has formulated a risk management framework which lays the procedure for risk assessment and mitigation. Company manages various risks like financial risk, operational risk, marketing risk, external risk and regulatory risks associated with the mortgage business. The critical risks which can significantly impact profitability and financial strength are credit risk, interest rate risk and liquidity risk.

INTERNAL CONTROL

Your company has proper and adequate system of internal control in place to monitor persistently proper recording of the transactions as per the policies and procedures laid down by the company. The company ensures that the regulatory guidelines are duly complied with at all the levels. The internal audit reports are regularly monitored by the Audit Committee.

SEGMENT REPORTING

The company is a Non Banking Finance Company, its core business is financial business. Hence, there are no separate segments for reporting as per Accounting Standard-17 issued by the Institute of Chartered Accountants of India.

FINANCIAL SCORECARD

The company has incurred profits ₹ 1 lakh as against loss of ₹ 3.75 lacs for the year ended March 31, 2015. Since the capital market moved in sideways having negative return of 6% in fiscal 2015-16, the company's portfolio's market value has remained stable during the year with no significant gain but there is huge jump in the value of its investment in its group company Dwarikesh Sugar Ind Ltd in which company is holding 21,59,118 equity shares, replicating stake of 13.23% of the Dwarikesh Sugar Ind Ltd, which has gone up from the low of ₹ 22 to the high of ₹ 285. The revenue from the rental income will be contributing regularly and steadily rather than dependence on volatile capital market revenue generation.

HUMAN RESOURCE MANAGEMENT

The company is always keen to take key HR initiatives to link business objectives with employees' performance. The employees have been provided with adequate exposure and their specialized knowledge of their own arena has been fully tapped and exploited. They have been provided with opportunities to attend seminars and program of their relative field to enrich their subject specific knowhow and expertise.

For a mediocre size company, it has always been a concern to retain the talent over a period of time due to its small size of operations. The industrial relations are also cordial.

CAUTIONARY STATEMENT

The statements in above analysis, describing the company's projections, estimates, expectations and predictions may be 'forward looking statements' within the meaning of applicable security laws and regulations. The actual results may differ from those expressed or implied. The important factors that may impact the operations of the company may consist of economic developments – globally and locally, government regulations, tax regimes and other related factors

INDEPENDENT AUDITOR'S REPORT

To the Members of **Morarka Finance Limited**

Report on the Financial Statements

We have audited the accompanying standalone financial statements of **Morarka Finance Limited ("the Company")**, which comprises the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the

financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, its profit, and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - (e) On the basis of written representations received from the directors as on March 31, 2016, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016, from being appointed as a director in terms of section 164 (2) of the Act;

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B” to this report;
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations having major implication on its financial position in its financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

31th ANNUAL REPORT 2015-16

MORARKA FINANCE LIMITED

ANNEXURE TO AUDITOR'S REPORT

Annexure A referred to in paragraph 1 under the heading "Report on other legal and regulatory requirements" of our report of even date

Re: **Morarka Finance Limited ('the Company')**

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) All fixed assets were physically verified by the management in the year 2013-14 in accordance with a planned programme of verifying them once in three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification. According to the information and explanations given by the management, the title deeds of immovable properties included in fixed assets are held in the name of the company.
- (ii) The Company's business does not involve inventories except stock-in-trade and, accordingly, the requirements under paragraph 3(ii) of the Order are not applicable to the Company.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, the provisions of clause 3(iii)(a), (b) and (c) of the Order are not applicable to the Company and hence not commented upon.
- (iv) In our opinion and according to the information and explanations given to us, provisions of section 185 and 186 of the Companies Act 2013 in respect of loans to directors including entities in which they are interested and in respect of loans and advances given, investments made and, guarantees, and securities given have been complied with by the company.
- (v) The Company has not accepted any deposits from the public.
- (vi) To the best of our knowledge and as explained, the Company is not in the business of sale of any goods. Therefore, in our opinion, the provisions of clause 3(vi) of the Order are not applicable to the Company.
- (vii) (a) Undisputed applicable statutory dues such as provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of custom, duty of excise, value added tax, cess and other material statutory dues have generally been regularly deposited with the appropriate authorities.
- (vii) (b) According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, service tax, sales-tax, duty of custom, duty of excise, value added tax, cess and other material statutory dues, whichever is applicable, were not outstanding, at the year end, for a period of more than six months from the date they became payable.
- (vii) (c) According to the records of the Company, the dues outstanding of income-tax, sales-tax, service tax, duty of custom, duty of excise, value added tax and cess on account of any dispute, are as follows:
- (viii) In our opinion and according to the information and explanations given by the management, the Company has not defaulted in repayment of dues to a financial institution, bank or debenture holders or government.
- (ix) According to the information and explanations given to us and on an overall examination of the balance sheet, the Company has not raised any money by way of initial public offer or further public offer, hence not commented upon. Further, monies raised by the Company by way of term loans were applied for the purpose for which those were raised, though idle/surplus funds which were not required for immediate utilization were gainfully invested in liquid assets payable on demand.
- (x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, we report that no fraud by the company or no fraud on the company by the officers and employees of the Company has been noticed or reported during the year.
- (xi) According to the information and explanations given by the management, the managerial remuneration has been paid / provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.
- (xii) In our opinion, the Company is not a nidhi company. Therefore, the provisions of clause 3(xii) of the order are not applicable to the Company and hence not commented upon
- (xiii) According to the information and explanations given by the management, transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us and on an overall examination of the balance sheet, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and hence, reporting requirements under clause 3(xiv) are not applicable to the company and, not commented upon.
- (xv) According to the information and explanations given by the management, the Company has not entered into any non-cash transactions with directors or persons connected with him as referred to in section 192 of Companies Act, 2013.
- (xvi) According to the information and explanations given to us, we report that the Company has registered as required, under section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE TO AUDITOR'S REPORT

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF MORARKA FINANCE LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")
To the Members of **Morarka Finance Limited**

We have audited the internal financial controls over financial reporting of **Morarka Finance Limited ("the Company")** as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies,

the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

31th ANNUAL REPORT 2015-16

MORARKA FINANCE LIMITED

STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES & PRACTICES

(Annexed to and forming part of financial statements for the year ended March 31, 2016)

1. SIGNIFICANT ACCOUNTING POLICIES:

a. Basis of presentation

These financial statements have been prepared on an accrual basis and under historical cost convention and in compliance, in all material aspects, with the applicable accounting principles in India, the applicable accounting standard notified under section 133 and other relevant provisions of the Companies Act, 2013 read with Rule 7 of the Companies (accounts) Rules, 2014.

All the assets and liabilities have been classified as current or non-current as per company's normal operating cycle based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalent, the company has recognized its operating cycle being period of 12 months.

b. Fixed Assets

(i) Fixed assets are valued at cost of acquisition.

(ii) Expenditure relating to existing fixed assets is added to the cost of the assets where it increases the performance/ life of the assets as assessed earlier.

c. Inventories

Inventories representing stock of shares, debentures etc. are valued at lower of cost or market price.

d. Investments

Long term investments are carried at cost after providing for any diminution in value, if such diminution is of permanent nature.

e. Retirement Benefits

Provision for leave encashment are determined and accrued on actual basis. Gratuity is accounted for on cash basis.

f. Depreciation

The Company provides for depreciation on fixed assets at the rates and in the manner specified in Schedule II of the Companies Act, 2013, on written down value method.

g. Taxes on Income

(i) Provision for income tax ₹Nil is determined on the basis of the estimated taxable income of the current year in accordance with the Income Tax Act, 1961.

(ii) Deferred tax is recognized in respect of deferred tax assets (subject to the consideration of prudence) and to the extent there is virtual certainty that the asset will be realized in future and deferred tax liabilities on timing differences, being the difference between taxable income and accounting income that originate in one year and are capable of reversal in one or more subsequent years.

h. Contingencies and events occurring after the Balance Sheet Date

Accounting for contingencies (gains & losses) arising out of contractual obligations, are made only on the basis of mutual acceptances. Events occurring after the date of the Balance Sheet are considered up to the date of approval of the accounts by the Board, where material.

i. Intangible Assets:

- i. Intangible Assets are recognized only where:
 - a) It is probable that the future economic benefits that are attributable to the asset will flow to the enterprise; and
 - b) The cost of the asset can be measured reliably.
- ii. Intangible Assets are capitalized at cost of acquisition including any import duty and other taxes and any directly attributable expenditure on making the assets ready for its intended use.
- iii. Amortization of Intangible Assets:
 - a) Intangible assets recognized are amortized over its best-estimated useful life, under a rebuttable presumption that the useful life of an intangible asset will not exceed ten years.
 - b) Where the expenditure incurred on intangible assets do not meet recognition criteria, it is recognized as an expense for the period.

j. USE OF ESTIMATES:

The preparation of financial statements requires the use of estimates and assumptions to be made that affect the reported amount of assets, liabilities and disclosure of contingent liabilities on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known / materialised.

k. GOVERNMENT GRANTS:

Grants relating to specific fixed assets are deducted from the original cost of specified assets.

l. BORROWING COSTS:

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are capitalized as part of cost of such assets. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognized as an expense in the period in which they are incurred.

m. IMPAIRMENT:

Where the recoverable amount of the fixed asset is lower than its carrying amount, a provision is made for the impairment loss. Post impairment, depreciation is provided for on the revised carrying value of the asset over its remaining useful life. The impairment loss recognized in prior accounting period is reversed if there is a favourable change in the estimate of recoverable amount.
